Our Paper

Quo Vadis planners and notebooks are made with ultra-smooth Clairefontaine paper.

Clairefontaine is a French paper manufacturer that is renowned for its fine quality notebooks and fine art papers. Clairefontaine paper is known for its superior opacity – write on both sides of a page without bleed-thru or feathering.

Clairefontaine is one of the few remaining European manufacturer making its own paper for its own products. This guarantees not only consistent quality, but also controls the environmental impact of the manufacturing process.
