

## History

Exacompta is well known throughout Europe for its extensive range of office supplies. These include filing & organizing supplies, desktop accessories, planners, and other business stationery.

Exacompta -- a play on the words "Exact Accounting" -- was started in 1928. At a time when accounting was done by hand, Exacompta manufactured ledgers of exceptional quality. Each ledger was finely bound, with thick mint or ivory paper and crisp, clear print.

The legacy continues today, Exacompta produces high quality home and office, filing, and stationery products with an emphasis on environmentally responsible manufacturing. Many of the products are FSC® or Blue Angel® certified, both highly regarded European environmental groups.
